BROAD NET FOR DYNAMITERS

FEDERAL COURT MAY TAKE UP LONG LIST OF CRIMES.

Theory Is Advanced That All the Bridge Blowing Outrages Have Been the Plots of the Same Men and Work of

Their Agents -Outrages in New York. INDIANAPOLIS, Dec. 3.—The full scope of the Federal Grand Jury investigation into dynamite outrages throughout the country known to have been committed under the direction of John J. McNamara and believed to have been inspired by men higher up came to light to-day and with it the theory on which the Government is

The first theory is that the explosives were transported over interstate railroads and in pursuance of a nationwide conspiracy to destroy life and property.

This, it is declared, gives the United States court here jurisdiction over the offences.

The second theory is that railroad bridges form a part of the property of interstate commerce carriers in the meaning of the law and their destruction is

Gen. Ous from here to-night:

"Gen. Harmson Gray Orts. Les Angeles. Cal: Your long continued and unfaltering battle for freedom in industry and against the unjust and inhuman methods of closed shop unionism has been fully vindicated by the confessions of the McNamara brothers. But the battle is by no means over it must be continued until such unionism is completely distinct in grated and stamped out and until no man shall be afraid to pass to and from his labors.

"The sudden professions by individual vicio and proclaiming justice is an innovation forced upon them by the developments at Los Angeles and adopted as the only hope of preserving the life of the type of unionism that sets itself above the law of the law, and the confession of McNamara was a shock to fine only hope of preserving the life of the type of unionism that sets itself above the law of the law, and the confession of McNamara was a shock to fine only hope of preserving the life of the type of unionism that sets itself above the law of the law, and the confession of McNamara was a shock to fine only hope of preserving the life of the type of unionism that sets itself above the law of the law, and the confession of McNamara was a shock to fine only hope of preserving the life of the type of unionism that sets itself above the law of the law, and the confession of McNamara was a shock to fine only hope of preserving the life of the vipe of unionism that sets itself above the law of the law, and the confession of McNamara was a shock to the developments at Los Angeles and adopted as the only hope of preserving the life of the vipe of unionism that sets itself above the law of the law, and the confession of McNamara was a shock to the developments at Los Angeles, but if it were our chased in any other State and can be shown to have been carried to Los Angeles, but if the dynamite had been purchased in any other State and can be shown to have been carried to Los Angeles, but if the dynamite and the confession of McNamara was a shock to the law of th

At the age of 26 Miss Skledowski passed

At the age of 26 Miss Skledowski passed

Moriarity, Roman Schultz and Edward
Johnson. The latter had a revolver,
All the chambers were filled. The men
were questioned but refused to admit
that they had attempted to rob anybody.
They are still held.
The two murders and the long list of
other crimes committed recently aroused
Mayor Havrison.

"I don't think the crimes can be charged
to anything but the horde of thugs which
seem to get active when cold weather
comes on." Mayor Harrison said. "It has
been the same every winter. Every year
about this time there is an influx of rough

ELKS HONOR THEIR DEAD.

Manhattan and Brooklyn. The Elks in Manhattan and Brooklyn neld memorial services for their dead yesterday. At the new home of Lodge !, on West Forty-third street, and in

More than 2,000 persons, among them

Edward J. Shalvey, the Exalted Ruler Lodge 1, made the address in Man-ttan. Charles A. Baker played on the big organ in the new clubhouse.
Of members of Lcdge I who died this year were the Great Lafayette, who lost his life in a fire at Edinburgh; William Hepburn Russell and John J. Murphy.
